TIPS FOR RIDING THE BUS

Waiting for the Bus
When waiting for the bus, stand at the nearest bus stop sign. Make sure that the bus driver can see you so you are not passed by. Always signal the driver that you wish to ride the bus.

Transfers
Please Remember the Following Regulations:
• You must purchase your transfer when boarding the bus, stating the route to which you want to transfer. Transfers will not be issued at any other time during your trip. You cannot obtain a transfer when you exit the bus.

Boarding the Bus
Please have your exact fare or pass ready before boarding the bus. Bus drivers carry no money and cannot make change. Half fare riders must have their reduced bus fare card or Medicare card ready to show the driver. If you do not show your card, you will be required to pay full fare. If you need a transfer, ask the driver when you pay your fare. After you leave the driver's area, no transfer will be issued.

Riding the Bus
After paying your fare, move to the rear of the bus. Please make front seats available for elderly or disabled passengers. Take your seat as quickly as possible. This helps the driver maintain the schedule. When waiting on a bus, hold on to the grab rails or seat backs. Do not move around on the moving bus. Wait until the bus has stopped to get out of your seat.

Exiting the Bus
Give the driver adequate notice that you want to exit the bus. Pull the bell cord at least one block before you want to get off.

ParaTransit Service - Access Express
City Utilities also operates a ParaTransit Service to serve the disabled and elderly who are unable to ride the fixed route bus. The service is operated on a demand-responsive, origin-to-destination basis with the same service hours and area as the Fixed Route System. Call 831-8711 for more information.
